4. This Court has jurisdiction of this matter pursuant to 28 U.S.C. §§ 1331 and 1337 because the case arises from the carriage of goods in interstate commerce governed by Federal Statutes including the Carmack Amendment to the Interstate Commerce Act, 49 U.S.C. § 14706, 49 CFR part 370 and related Federal Case Law.

5. Venue is proper in this District under 28 U.S.C. § 1391(b)(2) because a substantial part of the events or omissions giving rise to the claim occurred in the State of New York. Venue is proper for the Carmack Amendment claims under 49 U.S.C § 14706(d)(1) because the Defendant is a carrier and New York was a state through which the Defendant was operating. Venue is also proper under the Carmack Amendment 49 U.S.C. § 14706(d)(2) as the Defendant carrier caused the loss or damage and said loss or damage occurred in the Southern District of New York.

6. The Defendant at all times herein was conducting business in the State of New York including common carriage and/or delivery of cargo and the provision of related services, issued bills of lading and receipts for carriage and delivery of cargo through the State of New York and/or contracted for the delivery.

12. That the agreement permits the prevailing party to recover all expenses of litigation including attorney's fees.

13. Pursuant to the above-referenced Bill of Lading the Defendant picked up the fiberglass units and commenced moving those units in accordance with the contract.

14. Thereafter, while at the Northeast corner of Parkway and 59th Street in Bronx, New York the goods were stolen.

15. The goods have never been recovered. The goods pursuant to the sale agreement had a stated value of \$103,690.00.

16. The Defendant picked up the cargo in good order and condition and in consideration of the freight charges paid, agreed to transport the cargo from Pocahontas, Iowa

to its final destination in good order and condition as when received and accepted by it in accordance with the terms of Bill of Lading.

17. The cargo was not delivered in good order and condition as when Defendant received and accepted it. The Defendant never delivered the cargo which was a total loss. The Defendant caused the loss and non-delivery by negligently and recklessly failing to properly arrange for carrying, store, secure and deliver and care for the cargo and/or by unreasonably deviating from or fundamentally breaching the agreement and contract of carriage and/or its bailment.

18. That Acadia has performed all of the conditions required under its agreement.

19. As a result of the loss, the Plaintiff did pay to M&L Trucking Services, Inc. the amount of \$103,690.00 and as a result is subrogated to the claim in the instant action.

20. As a result, Plaintiff has the right to pursue all rights of recovery and is entitled to pursue subrogation rights against the parties responsible for losses paid out under the policy. Plaintiff is entitled to pursue subrogation rights against the Defendant specifically.

21. That a claim was submitted to the Defendant's insurance carrier relating to the claim. The Defendant's carrier (National Casualty Company) specifically denied the claim on or about August 7, 2014.

ACCOUNT I – CLAIM OF LOSS

22. Plaintiff repeats each allegation as previously set forth above and further alleges and shows the Court as follows.

23. Defendant agreed to transport the fiberglass truck body cargo.

24. Defendant received the cargo in good condition.

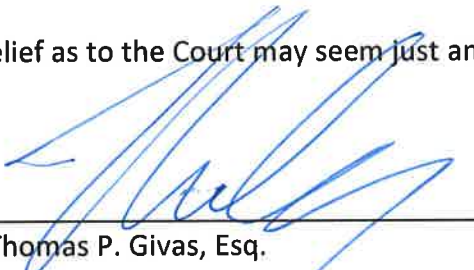

25. The Defendant failed to deliver the cargo to the final destination in the same good order and condition it was received.

26. As a result of the negligence or misconduct of the Defendant, Plaintiff has suffered damages in the sum of \$103,690.00, plus the cost of investigation, attorney's fees, expenses and other damages.

27. Under 49 U.S.C. § 14706 the Defendant is liable to the Plaintiff for the full actual loss due to its failure to deliver the goods as measured by the market value of the goods at the destination because the loss was attributable to the negligence and/or misconduct of the Defendant.

WHEREFORE, the Plaintiff requests Judgment against the Defendant in the sum of \$103,690.00 together with interest, the costs and disbursements of this action, reasonable attorney's fees, and such other and further relief as to the Court may seem just and proper.
